This four star property is located 8 km from the Congress venue. This complex boasts many different options to relax. Renowned for its variety and quality of dining options, The Winter Garden Restaurant menu offers modern Irish cuisine with fine dining elements. The Cocktail Lounge is a less formal option with light bites, snacks and informal dining. The Red Cow Inn (part of the hotel complex) has been on the same site since 1690 - it is one of Dublin's, and indeed Ireland's most famous pubs.
