We publish quality speech and language resources for children, teenagers and adults. Designed and produced in Ireland, they are suitable for preschools, Montessori, school, clinic and home. They include, photo card packs, lotto games, posters and speech books. The packs have tips and instructions on how they can be used to facilitate the child or adult acquire new skills.

Such skills as listening, turn-taking, social skills, vocabulary, sentence formation, explaining, describing, comprehension, expression, verbal reasoning, concepts etc are targeted in these resources.

Photos and drawings are both used to provide variety to help sustain the person's interest!
